

CEVA LOGISTICS - Cross Border services

Connecting North America

A comprehensive coverage and an extensive range of services for your road freight across North America

Our Solution

- **Full Truck Load (FTL) Service** between the United States, Canada, and Mexico
- **Less than Truck Load (LTL) Service** between the United States, Canada, and Mexico (within the CEVA closed loop Network)
- **Customized transportation** and distribution within North America
- **One Stop solution:** End to End solutions - Value-added services, Customs Brokerage, FTZ, Warehousing, Specialized Transportation, Security Monitoring, and CEVA Control

Key Benefits

CEVA Logistics Ground solutions:

- More **cost-effective** than Air freight
- **Comprehensive network coverage** in North America including **owned and operated CEVA fleet of trucks** and CEVA ground system
- **CEVA owned offices providing World class Customer Service** at a local level
- **Flexibility, reliability, and a commitment to excellence**

CEVA Logistics extended sets of services :

- **US, CAN, and MEX Customs Brokerage**
- **Bilingual Staff** and local market expertise with a focus on customer service and regulations
- **Flexibility** with a focus on continuous improvement across our customers activities (Network design, Account Management, LEAN activities, Consolidation.)
