Making business flow

CEVA Logistics confirms targets as it attends investor conferences

Baar, Switzerland, 7 September 2018 – CEVA Logistics AG informs the market that it is attending investor conferences today and in the coming week and that it has published the conference presentation on its website. As part of this, we reaffirm our medium-term targets of 4% EBITDA margin and an improvement in adjusted EBITDA by \$100m as well as our expectation to make progress towards these goals this year.

resources, and other non-historical statements. These statements can be identified by the use of words such as "believes" "anticipates," "expects," "intends," "plans," "continues," "estimates," "predicts," "projects," "forecasts," and similar expressions. All forward-looking statements are based on management's current expectations and beliefs only as of the date of this news release and, in addition to the assumptions specifically mentioned in the above paragraphs, there are a number of factors that could cause actual results and developments to differ materially from those expressed or implied by these forward-looking statements, including the effect of local and national economic, credit and capital market conditions, a downturn in the industries in which we operate (including the automotive industry and the air freight business), risks associated with CEVA's global operations, fluctuations and increases in fuel prices, CEVA's substantial indebtedness, restrictions contained in its debt agreements and risks that it will be unable to compete effectively. Further information concerning CEVA and its business, including factors that potentially could materially affect CEVA's financial results, is contained in the annual and quarterly reports of CEVA Logistics AG (and its predecessor CEVA Holdings LLC), available on the Company's website, which investors are strongly encouraged to review. Should one or more of these risks or uncertainties materialise or the consequences of such a development worsen, or should underlying assumptions prove incorrect, actual outcomes may vary materially from those forecasted or expected. CEVA disclaims any intention or obligation to update publicly or revise such statements, whether as a result of new information, future events or otherwise.
