Singapore, June 26th 2020. CEVA Logistics has received the “Best Transportation Company” Award at the 2020 LogiSYM Awards in Singapore in recognition for its excellence in all aspects of logistics transportation.

This award underlines and acknowledges the relevance of CEVA Logistics’ turnaround and transformation plan, revolving around several actions, including revitalising business development, reducing costs, and modernising industrial assets and systems.

The relevance of this strategy has been further highlighted by the COVID-19 pandemic, during which CEVA and its teams have demonstrated their agility and complementarity to the rest of the CMA CGM Group, a world leader in shipping and logistics, in providing logistics services, particularly in air freight and warehousing, to keep supply chains moving.

Says CEVA Logistics’ Regional Managing Director – South East Asia & Pacific Region, Elaine Low: *“CEVA Logistics is honoured to receive the “Best Transportation Company” Award from LogiSYM. Amidst very challenging market conditions, this award is a great recognition of the hard work our teams have put in to support our customers, and of our creativity and agility to provide multi-modal options. Logistics solutions play a major role in keeping our customers’ supply chains flowing.”*
