

CEVA Logistics Rail Regular Services

An Alternative to Air and Ocean Freight between Europe and Asia

Benefit from CEVA Logistics network, utilizing our dedicated departures through a **dependable, cost efficient and environmental friendly** service

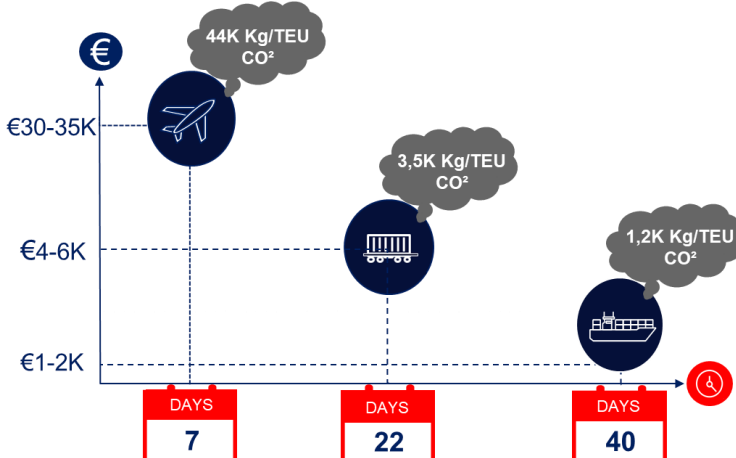

Our Solution

Three solutions to match each needs:

- **Regular FCL:** an alternative solution to Sea and Air Freight
- **Regular LCL:** the solution to ensure supply chain stability
- **Blocktrain:** to secure capacity and lead times – with possibility to have dedicated train per customer

Xi'an to Duisburg: 15 days
Door-to-Door: 22-24 days

Key Benefits

Benefit from Rail Solutions:

- **Cost :** up to 70% Cheaper than Air
- **Speed :** 10 to 15 days faster than Ocean
- **Green:** 80% less carbon emissions compared to Air

Benefit from CEVA Logistics network:

- **One entry point with CEVA team**
- **Expanded depot network** in Asia-Pacific and Europe
- **Track & trace devices**
- **2 Control Towers dedicated** to Door-to-Door Rail operations

All rates and times: 24th February, 2020
 1) Transit time = Door to Door transit time / 2) From Xian to Frankfurt via Duisburg
