

CEVA Logistics Delay in Transit (DIT) Get your shipments when you need them

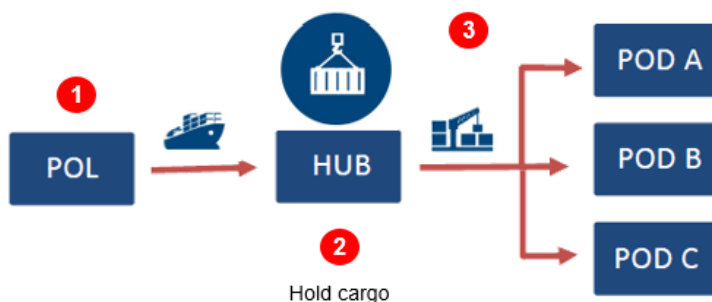

CEVA offers a reliable FCL Delay-in-Transit-Solution for an optimized, cost efficient supply chain management all over the World

CEVA Solution

Optimized FCL Storage solution

- 1 Send **DIT instructions** at time of booking to ensure accurate cargo routing.
- 2 **Hold cargo** at dedicated HUBs in Asia or Europe.
- 3 Release instructions sent to CEVA for **connection** and **final delivery**.

CEVA Advantages

- **Avoid higher storage costs** at destination.
- Bring containers **closer** to your **final buyers**.
- **Divert** shipments in transit.
- **Split** shipments.
- **Merge** shipments.
- **Flexibility** with deliveries.
