CEVA LOGISTICS CORE SERVICES

CEVA Logistics is one of the world's leading third-party logistics companies and many of the world's best-known brands count on CEVA Logistics to serve their markets. CEVA Logistics offers a broad range of services in both Freight Management and Contract Logistics. With 78,000 employees, CEVA's integrated global network has over 1,000 facilities in more than 160 countries.

At CEVA, our dedicated team of professionals are focused on delivering operational excellence to our customers, each and every day.

Pick up Delivery

- Each of our facilities are equipped with their own fleet of P&D drivers
- Over 1000 uniformed drivers trained to deliver at every service level
- Facilities offer flexibility to tailor services to meet customer specific requirements

What sets CEVA apart?

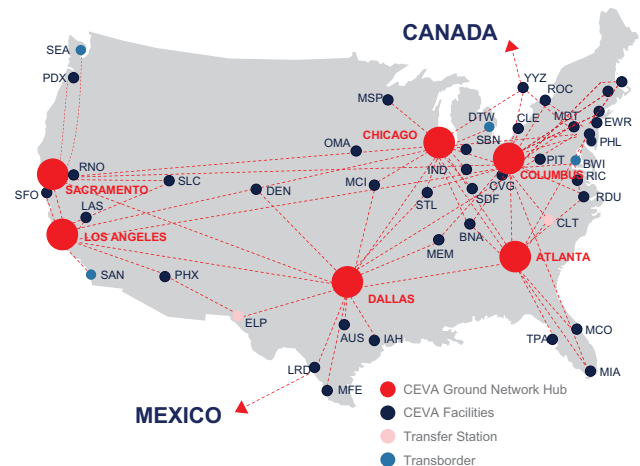

- Unlike others, our drivers are CEVA Logistics associates contracted to only CEVA and managed by CEVA

LTL

- We offer a closed loop secure network that provides true door to door, pickup, line haul, and delivery
- Scalable and flexible solutions that are faster to the final consumer than traditional LTL companies

Home Delivery/Store Delivery

- We offer customers an array of specialized final-mile solutions that ensure speed to market whether that be to the consumer's home or to the retail store

Why CEVA Logistics?

- CEVA Logistics has one of the lowest claims ratios in the industry
- We minimize inventory touches with less stops between origin and destination utilizing our fleet of air-ride trailers
- Cognizant of the trailer load factor, we ensure our trailers are not over loaded to full weight capacity
- CEVA maintains a high on-time percentage through a measured and managed process
