## CONTAINER SHARING

# FLEXIBLE, COSTS EFFECTIVE SOLUTIONS FOR YOUR SMALLER SHIPMENT VOLUMES

### SHARE THE BOX?

Share the Box is a **LESS THAN CONTAINER LOAD** solution that's ideal whatever you need to move, wherever you need to move it.

We utilize ALL available container space and give you access to many benefits including:

- ✓ **reduced shipping rates**, as you pay only for what you need and use.
- ✓ **faster and flexible shipping** services, as your product moves across our fully integrated global network.
- ✓ access to extended services including multiple destination drop offs, customs clearance, CEVA consolidation Freight Stations and our Ground network.

### ADDED VALUE

- A cost-efficient alternative to Airfreight.
- More flexibility of commodity flow.
- Faster delivery of smaller shipping volumes.
- Lean inventory and steady shipment flows.
- More time to organize your delivery slots.
- No return management containers.
- Optimize your cashflow.
- An easier split of your shipment for different destinations.

### PROFIT FROM OUR NETWORK

- A Global Network with over 1000 locations to have your LCL experts close to your business.
- Service Portfolio of more than 10,000 port pairs to support where your suppliers are located.
- Organization of competent LCL professionals to ensure a stable flow of your commodities.
- Full track and trace capabilities so you always know where your shipments are.
