

# LCL OCEAN FREIGHT NEW MARKET CONDITIONS

\*\*\*\* This announcement applies to CEVA Logistics Ocean Freight LCL Services \*\*\*\*

## Emergency Market Surcharge (EMS)

Most trade lanes are facing significant space constraints and carriers are dedicating a rising share of their allocations to premium rate bookings. Long-term, named account bookings are more and more restricted, and container availability continues to be a challenge.

To better ensure your supply chain continuity, your equipment availability, and your bookings, CEVA Logistics is adjusting the **Emergency Market Surcharge (EMS) as part of our ocean freight rate structure, effective for sailings as of March 01<sup>st</sup>, 2025**. This EMS will be subject to review and modification (increase or decrease) on a regular basis.

Once the ocean freight market returns to normal, this EMS will be adjusted accordingly to align your rates with the market conditions. CEVA Logistics is continuously monitoring the situation and will provide further information once available.
